**Number of students attended:** 18

A one-week Analytical Skill Development course on "ORAL HEALTH FOR ALL" was organized. The resource person provided a comprehensive thorough training with ease and precision.

### **Objectives:**

The objective of the course is to emphasize the participants about:

- Imparting awareness oral hygiene in dental students
- Awareness of dangers of poor oral health
- Factors affecting oral health
- Oral hygiene habits
- Knowing how oral health is overall health
- Awareness of oral hygiene
- Oral hygiene tips are discussed

## Outcomes:

- Dental students have been made aware importance of Oral health
- Awareness of dangers of poor oral health
- Factors affecting oral health are discussed
- Oral hygiene habits are taught
- Knowing oral health is overall health
- Awareness of oral hygiene is understood
- Oral hygiene tips are discussed

The course was quite informative with an enthusiastic participation from students and faculty members through this channel of communication.

**Number of students attended: 52**

A twelve-day Analytical Skill Development Course on "HOW TO CONDUCT A RESEARCH" was organized for the intern students. The resource person provided a comprehensive thorough training with ease and precision. Intern students participated with lot of enthusiasm.

### **Objectives:**

The objective of the course is to emphasize the participants about:

- Introduction to conduct research
- Explanation of Types of research
- Demonstration of steps involved
- Why do we conduct research
- Problems with research today
- Ethical considerations in conducting research

- Skills needed to design and conduct research

### Outcomes:

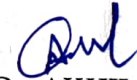

- Introduction to conduct a research
- Types of research was explained
- Steps involved are demonstrated
- Why do we conduct research is understood
- Problems with research today are discussed
- Ethical considerations in conducting research are talked
- Skills needed to design and conduct research are explained

The course was quite informative with an enthusiastic participation from students and faculty membersthrough this channel of communication.
