IUPUI students are as diverse as the city around them; coming from many walks of life and varied ethnic cultures, they bring with them different personal, academic, and professional goals. IUPUI has over 30,000 students representing all 50 states and 141 countries. In addition to being a part of two world-class universities, our students also have unparalleled opportunities and resources at their fingertips by living in downtown Indianapolis, the nation's 13th largest city.

IUPUI does everything possible to make students feel at home on campus. This culture of welcoming starts before arrival and goes beyond graduation. Please review the attached documents to learn more about the services available to you regarding orientation, enrollment, housing, and setting up your IUPUI accounts.

Congratulations again on your admission. As you review the enclosed information, please stay in touch and let us know if there is any way we can be helpful to you. You can e-mail us with questions at oiagrad@iupui.edu. We hope to welcome you to Indianapolis soon.

Sincerely,
