REPORT ON STUDENT COUNCIL ACTIVITIES

Lenora Institute of Dental Sciences has an active functioning student council. This student council constitutes 1. President 2. Vice President 3. Secretary 4. Joint Secretary. Every year, the members of the council are nominated by voting. Student council acts as a link between management/administration/faculty/students. One Senior Faculty acts as the advisor of the student members in the Student Council and guides the council members to actively organise and participate in academic and extracurricular activities. Healthy atmosphere in the college campus is created through the active participation of student’s council in each and every activity of the college.

Student council encourages all the students of the institution to freely participate in various activities organised throughout the year and they work closely with the administrative officials, teachers and students; also they are easily reachable to the students in the institution.

The institute through the student council inculcates not only academic growth but also moral values and responsibilities to become a responsible citizen. The student council with its leadership qualities coordinate with other members for organizing various events. Every year student council participates in social activities like blood donation, green challenge, rain water harvesting, oral health awareness in various rural areas, food donation and donation of clothes.

“KLR Chirunavvu “program is successfully being organised in rural areas with an objective of bringing smiles to the faces of rural population in and around Rajanagaram with the active participation of student council in periodic awareness sessions, screening and treatments camps.

Our college is being represented in various conferences, workshops and seminars held all over the state. The student members are encouraged to participate in these conferences with the help of student council and faculty guiding them. Student council enthusiastically participated in annual sports meet and inter college competitions conducted at district and state levels. Student council encourages other students to share their views and ideas that are to be implemented. Apart from the curriculum, various programs like career guidance, coaching for competitive exams and interaction with prominent alumni were implemented every year.

All throughout these five years Lenora Institute of Dental Sciences conducted prominent activities, organised/participated by the student council members and volunteered by pupils of the institution, such as follows:

- Recreational activities
- Dental camps
- Social service and social relief activities
- Swachh campus
- Celebrating special days
- Cancer awareness programs
- Patriotic activities
- Student capability enhancement programs
