The College has made it a practice to conduct all faculty meetings, once at the start of the semester, where the ways and means of enhancing the curriculum, academic discipline, Teaching Learning process, and Research and Extension activities are discussed. During such meetings, the individual faculty members express their honest opinion on the curriculum; research and extension activities and the same would be debated and discussed. The appropriate suggestions are put forward to the respective councils for implementations. The faculty members get representations in the Board of Studies, Department Advisory Committee and Academic Council, where the staff members are getting ample opportunities to give feedback, on both curriculum and teaching learning process. Based on the feedback obtained, various, guest lectures, value added courses and students workshops are organised to fill the gap in the curriculum.

Feedback analysis report: • The analysis report of the teachers' feedback reveals that they are highly satisfied with the framework .

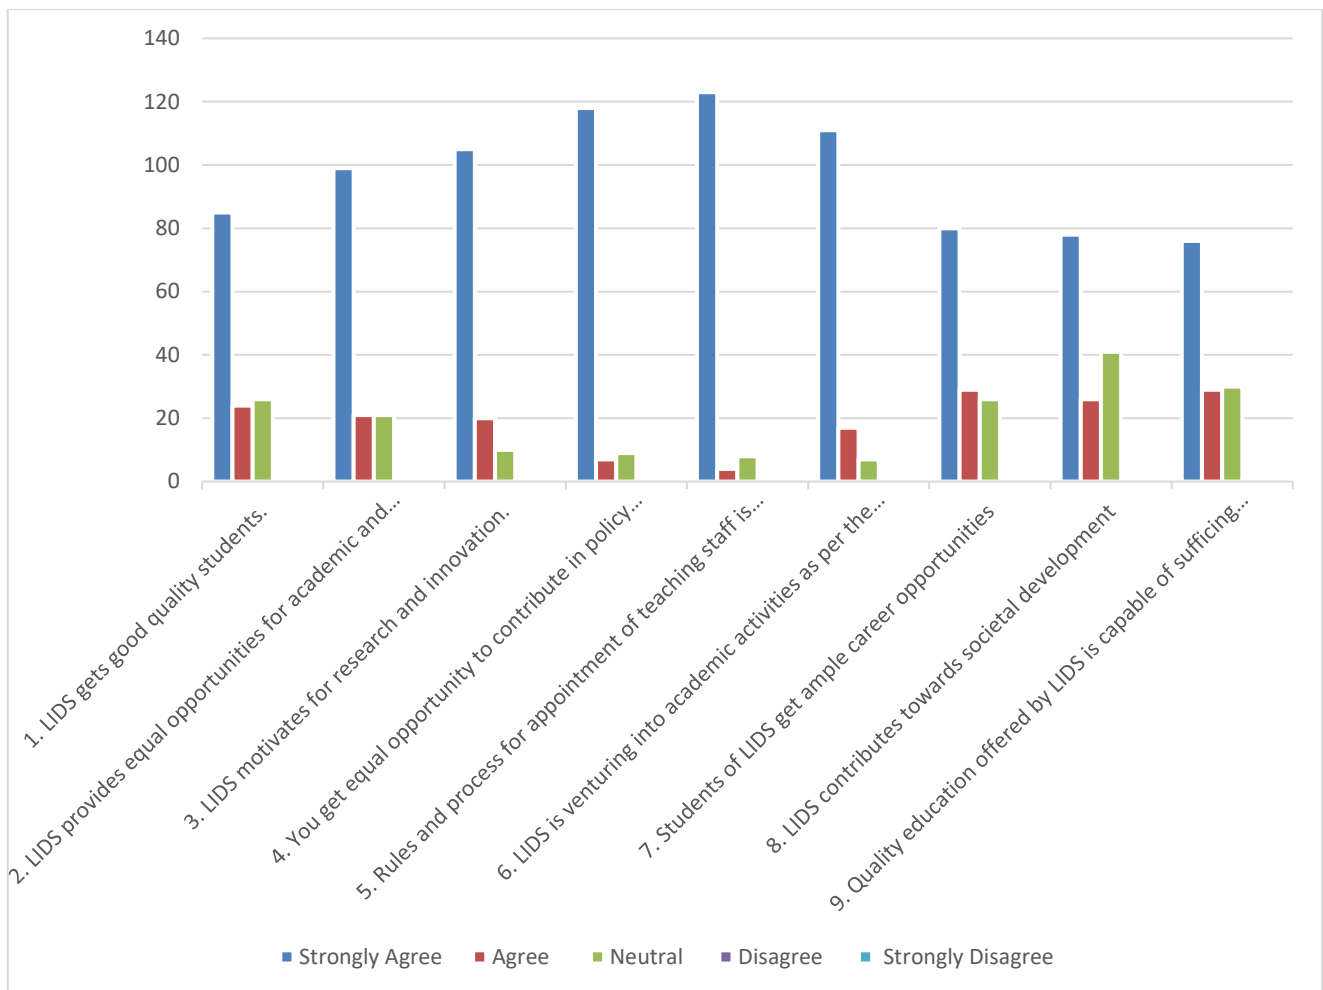

- The suggestions given by them related to specific subjects were noted for further action.

ACTION TAKEN: Invited resource persons from various other institutes to address the students. Conduction of conferences ,conventions and value added courses to upgrade newer trends ,to provide students an understanding of the expectations of dentistry. To improve employability skills of students. To bridge the skill gaps and make students ready. To provide an opportunity to students develop their inter-disciplinary skills.
