## SPECIAL PROGRAMS FOR SLOW AND ADVANCED LEARNERS

### Measures to Improve performance of Slow Performers:

1. Students are called individually and counselled to find out the reasons for underperformance.
2. Students are guided to study better
3. They are allotted topics to study & attend to tutorials/ viva voce periodically.
4. Further they are informed to approach the respective teachers, whenever they had difficulty in learning.
5. Parent Teacher meetings has been conducted.
6. Revision classes have been taken.
7. Class tests have been conducted.
8. The under performers were counselled individually after getting to know their problems.
9. They were given remedial classes in which they were made to spend extra time studying in the department under the guidance and presence of teachers.
10. They were made to discuss the subject among themselves and teachers.
11. They were given assignments, tests based on the assignments and with open books, if required.
12. Many such revisions were given to prepare them optimally.

### Measures taken to motivate Advanced achievers:

1. High performers were well recognized and motivated to perform better by adapting newer methods to give their best.
2. They were asked to share their methods of studies on a forum of their classmates as so that others get to know and adapt them to an extent possible.
3. Seminars /projects have been assigned.
4. Rewards have been given.
5. Motivation given to participation in Quiz programs.
6. Encouraged to participate in conferences and workshops.
7. Encouraged for the higher studies by rendering NEET coaching.
