REPORT AFTER SUPPLYING RATION DURING COVID

19 FOR STRANDED PEOPLE

The students of **Lenora Institute of Dental Sciences Rajanagaram Rajahmundry** conducted a special program on awareness on covid 19 and ration supply for starnded people The vital subject of the event was to focus on “prevention is better than cure and supplementation of basic food” which witnessed participation of around 60 – 90 students .

The event began with explaining the preventive measures on covid 19 among children,

COVID19: safe schools To help schools reopen and stay open and safe, teachers, school staff, parents and students should follow the ‘do it all’ approach to reduce the risk of COVID-19 transmission.

Basic preventive measures are

- Maintain a safe distance of atleast 1 meter
- Keep your hands clean
- Wear a safety mask indoors, and outdoors when physical distancing isn’t possible
- Cover coughs and sneezes when you are not wearing a mask
- Open windows and doors to ventilate classrooms and common areas
- Get vaccinated when it’s your turn,
- Remember to stay home when you are feeling unwell.

The program concluded with the distribution of supportive needs for people in Rural area.

. **Everyone can play their part to keep schools open and safe**

PROGRAM REPORT

TITLE OF TH EVENT	ROAD TRAFFIC ACCIDENTS
EVENT START DATE	September 21 st 2019 .
EVENT END DATE	September 21 st 2019 .
DESCRIPTION	<p>Lenora institute of dental sciences conducted a special event to bring awareness to the public about road traffic accidents on September 21st 2019 .</p> <p>Road traffic accidents is a worldwide issue which should be considered because most of the road traffic accidents are caused by the younger generation. The saddest part is that India stands in the 5th position worldwide in road traffic accidents. The death toll is a higher side for the countries where pedestrians, two-wheelers and passengers are vulnerable and lacks traffic signal ethics. Students carried Placards and banners appealing to the people to follow traffic rules, avoid accidents, wearing helmets, avoid jumping signals and overspeeding</p>
