Lenora Institute of Dental Sciences organized a career counseling program on Employability Skill Development on 27th August, 2022. The program was organized with the aim of providing information on various requirements, preparations, goals and achievements to be reliant and capable enough to be employed after graduation.

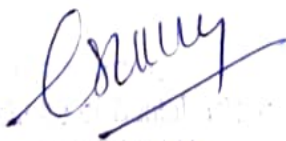

The program was successfully conducted with a total strength of 49 students.

The benefit of the program includes

- Bestowing students by providing wide range of skills ranging from communication and presentation to negotiation and team development.
- Enlightening students that skill development is regarded as significant as educational qualifications and experience.
- Employability skills are not industry specific and are integral to the professional success of every individual irrespective of his/her field of practice.

Outcomes:

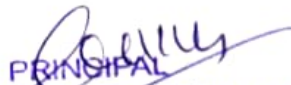

- A. Imparting students with required skills to gain a competitive edge in their respective field of practice.

DR. B. LAKSHMANA RAO

- B. Emphasizing hands on training to learn and understand the developing multidisciplinary skills in all corners of dentistry by initially training in preclinical labs during II year followed by clinical practice for III, IV, Interns, and PG students
- C. Preparation for communicative skills and patient approach.
- D. Providing satisfactory and correct treatment protocols during practice.

From this session students learned the information required for clinical setup. Students expressed their happiness and solicited the need for conducting more such programs. The feedback obtained also showed that the program is informative and productive. Dr. Vishwa Prakash Shetty, Principal of Lenora Institute of Dental Sciences expressed gratitude to Dr. B. Lakshmana Rao for sharing valuable information to students.

Lenora Institute of Dental Sciences organized a career counseling program on Employability Skill Development on 4th July, 2018. The program was organized with the aim of providing information on various requirements, preparations, goals and achievements to be reliant and capable enough to be employed after graduation.

The program was successfully conducted with a total strength of 38 students.

From this session students learned the information required for clinical setup. Students expressed their happiness and solicited the need for conducting more such programs. The feedback obtained also showed that the program is informative and productive. Dr. Vishwa Prakash Shetty, Principal of Lenora Institute of Dental Sciences expressed gratitude to Dr. Narayana sir for sharing valuable information to students.
