Lenora Institute of Dental Sciences organized a program on Coaching for competitive exams on GRE- Graduate Record Examinations, from 12-07-2022 to 25-08-2022. The program was organized with the aim of providing information to the dental students about necessary knowledge of English language to practice safely abroad.

The program was successfully conducted with a total strength of 62 students.

The benefit of the program includes

- Acknowledging how and when one will know how to analyze information to determine whether we have the necessary knowledge of English.

- Self-evaluation on English proficiency since majority of the students are non-native English speakers.

Outcomes:

- A. Benefitting the students to become familiar with the pattern of the exam and the required study materials.
- B. Encouraging students to practice verbal reasoning, analytical writing and quantitative reasoning to become better in the language of practice.
- C. Ensuring that every student reaches the pinnacle of their exam capability during the program.
- D. Staying informed about the universities where GRE is applicable.

The feedback obtained also showed that the program is informative and productive. Dr. Vishwa Prakash Shetty, Principal of Lenora Institute of Dental Sciences expressed gratitude to Dannthala Rupa Rani for sharing valuable information to the students.
