Lenora Institute of Dental Sciences organized a career counseling program on **What next after B.D.S** on 20th November, 2019. The program was organized with the aim of providing information on available career options to look forward for after B.D.S.

The program was successfully conducted with a total strength of 41 interns.

The benefit of the program includes

- Bestowing students by providing more life experiences and in developing personal connections.
- Complementing and accelerating ideas by inviting and helping to self-analyze and conclude various thoughts and concerns in regard to career choices.
- Providing alternative academic experience by taking courses not offered elsewhere while earning credits towards post-graduation.

Outcomes:

- A. Understanding the various available career options.
- B. Exploring various fields for development and establishing the decided career of choice.
- C. Preparation and various courses available to be better in the choice of career.

From this session students learned the information on **What next after B.D.S**. Students expressed their happiness and solicited the need for conducting more such programs. The feedback obtained also showed that the program is informative and beneficial. **Dr. Vishwa Prakash Shetty** sir, Principal of Lenora Institute of Dental Sciences expressed his gratitude to **Dr. Satyam . M** sir for sharing valuable information and enlightening the students.
