

7.1.7(6) The Institution has disabled-friendly Facilities

Lenora Institute of Dental Sciences provides barrier-free environment where people with disabilities can move about safely and freely and use the facilities within the built environment. The environment supports the independent functioning of individuals so that they can participate without assistance in everyday activities within the campus. RAMP, Ramp-Rails, Stair Case Railings, Lift from ground floor to 3rd floor, Signage including display boards and signposts are build for the differently abled person.

1. Built environment with ramps/lifts for easy access to classrooms.

a. Ramp-Rails

An inclined plane, are built in addition to staircases in the entrance of college buildings and in washroom. The ramps are carefully designed as per specifications to be used by the differently abled people.

b. LIFT Facility

The College buildings have provision of lift for barrier free access for students, staff, visitors and differently abled people. The lift can be accessed from ground floor to 3rd floor.

c. Stair Case Railings:

The partially disabled person who can use stair case can take support of railings for reaching the different floors.

2. Disabled-friendly washrooms

There are differently abled friendly restrooms in all the floors. These accessible restrooms carry the fixtures and fittings that are comfortable and convenient to the differently abled people. Non slip floor, provide easy access to the differently abled people

3. Signage including tactile path, display boards and signposts

Sign boards ensure visually impaired persons are able to familiarize with the road and path. Tactile sign on handrails at the ends of a staircase, guide the visually impaired.
